

It was a perfect day for 16 inch softball in Tempe, AZ.. Maple Street went on defeated beating OZ in title game 5-1 of the 5th annual Maag Toy Foundation Tournament. As important, we collected dozens of toys. All net proceeds go to buying sports tickets and toys for kids in local shelters.

It was zero zero going into the 4th. Until a two hit scored a runner on third waking up the tired teams. Cash was on the line in every game in this progressive tourney. The top 3 teams were from Yuma, AZ. In 3rd was Chunky, from PHX Rhoades Trucking, Fore Love of Golf, Maag Toy Foundation team came in 4th - 6th in 12 team event. The big surprise was the winter rusty Monsters (many from last years title team Crush) from Chicago lost two straight to AZ teams. But we thank all 4 teams from out of town for coming

"I've been running these tourneys for awhile and the interest in big ball is certainly increasing as is the caliber of play. There are 7 teams here that can compete for A nationals if there was a real national tournament. Too bad they are split this year I know the folks here are upset about that" noted Al Maag..
